200 Fathers Honored At Festivities

Approximately 200 Dads attended the fifth annual Dad's Day festivities held on the Central campus Oct. 18.

Registration began at 8 a.m. and was sponsored by the Spurs and Inter-Collegiate Knights. A coffee social hour was held at 10 in the cub.

The Sweezy Wildcats met the Pacific Lutheran Gladiators in a rugged football game at the Rodeo Field which the Tacomans won.

The highlight of the event was the banquet held in the Commons Dining Room. Dr. Dean Stimpson, Dean of Men, was the main speaker and Chuck Hazen acted as Toastmaster. Jimmy Allen and Rich Preston sang and Larry DiPalma played several accordin numbers.

An informal dance was held in the Sue Dining Hall. Harley Brumbaugh and the Esquires played. A half an hour of entertainment and refreshments were provided for the dancers.

Sigma Tau Alpha Works on Banquet

Heading Sigma Tau Alpha, organization for Rainbow girls on the CWCE campus, is Lavonne Soule. Sigma Tau will be working on place cards for the Homecoming banquet Oct. 30.

"We wish to invite all Rainbow girls," remarked Lavonne, "and all majority members to our meetings, the time for which will be posted on the social calendar."

Sigma Tau Alpha officers include Lavonne Soule, president; Beth Beckman, vice president; Donna Bell, secretary; Diane Boone, treasurer; Sally Brown, chaplain; Joan Tomlinson, musician; Eulalie Pollack, social commissioner; and Joan Fortner, publicity chairman.

Grace Keesling, grand associate worthy adviser, is the only grand Rainbow officer on campus.

Student Teachers Reminded of Physical

All students planning to do student teaching during the winter quarter must take a physical examination prior to assignment. The examination will be given in the gymnasium on Monday, October 25, 7 p.m. for women, and 8 p.m. for men.

Homecoming "Comic Capers" Gets Under Way Wednesday

Everything from clowns to "Dennis the Menace" will be in order when Central holds its annual Homecoming celebration next weekend from Oct. 27 through the 30, for "Comic Capers" has been picked as the theme for this year's program.

Guided by co-chairmen Nancy Stevens and Bob Dalton, Homecoming will open Wednesday night with a kick-off broadcast over KXLE. The radio program, originating from the College Auditorium, will feature the coronation of the queen and her court, a talk by Coach L. G. Carmody, and introduction of the honored classes of 1929 and 1944.

"In view of the extremely fine cooperation we have received from the faculty and members of our committee, Homecoming should be a great success," Nancy and Bob commented recently.

Stunt night will be held Thursday for the student body and Friday for the alumni and townspeople.

The frosh-soph flagball contest, a pep rally, a free mixer, and the traditional bonfire will highlight Friday.

Freshmen will start gathering material for the bonfire at noon. If the frosh class succeeds in guarding the fire, it will be set off by them around 9, following the presentation of the stunts. Classes for Friday afternoon will be dismissed.

Ellensburg will be entertained when the parade winds its way through the downtown streets at 10 Saturday morning. The band and choir reunion will be at 10:45, with the frosh soph pushball competition at 11:15.

The Alumni Association will sponsor a coffee hour in the CUB following the Eastern game, and

Marie Fugate Chosen Queen Patti, Leona Princesses

Pretty, blonde Marie Fugate has been chosen to reign over 1954 Homecoming festivities. The attractive princesses are Patti Cole and Leona Panerio.

Miss Fugate and her court will be crowned at the kick-off broadcast at 7 p.m. Wednesday and will be honored at all festivities. The queen's mixer Friday night, a float in the parade and the Homecoming Ball on Saturday night will especially require the attention of the royal court.

IRC Sponsors U. N. Week, Other Events

The current concern of International Relations Club is United Nations Week, which is evident around campus. This week of activity, Oct. 17 through the 24, celebrates the ninth anniversary of the UN.

To conclude their observance of UN Week, IRC will sponsor a float in the Homecoming parade in the form of a large world globe with flags of member nations surrounding it. This globe is now on display in the CUB lounge.

IRC's major annual project is preparing for the model UN conference, to be held this year at San Francisco State College. This conference is SGA approved and is open to students interested in international relations.

The number of delegates is limited to fifteen who are selected by a board of faculty members. Preparation begins in the winter quarter. In the past Central has represented such nations as Turkey,

OES Scholarship Won By Kathleen Cadieu

Kathleen Cadieu, a sophomore at CWCE, has been selected the winner of the \$150 scholarship awarded by the Grand Chapter of Washington, Order of Eastern Star.

The college scholarship committee selects three students from the applicants. The final selection is made by a state scholarship committee of the O.E.S.

The candidates for this scholarship must have the following qualifications: single and under 21; sophomore, junior, or senior at CWCE during the previous year; grade point average of 2.5 or better; financial need; at least one of the candidates' parents must have Masonic or Eastern Star membership in the state of Washington.

Mobile X-Ray Unit Set for Next Week

The Mobile X-Ray unit will be at Central the 26th and 27th of October. It will be in front of Munson Hall from 8 a.m. to 12 a.m. and from 1 p.m. to 5 p.m.

Head nurse Maxine Taylor says all students are required to have an X-ray as part of the college physical examination. This is a free service, and everyone is urged to take advantage of it.

Elections were handled by the International Knights who will provide escorts, flowers, the float and gifts for the royalty. About 600 students voted in this election according to Grand Duke, Al Stevens.

Queen Marie is a junior from Caldwell, Ida. and is majoring in Music here at Central. Miss Fugate attended the University of Idaho during her freshmen year bringing her talents and her beauty to Central last year. Marie is an accomplished pianist and lists International Relations Club, Model UN, AWS council, Sigma Mu, Band FTA, and Choir among her activities at Central. Marie, a resident of Sue Lombard Hall, was sponsored by Alford Hall for the Homecoming Queen contest.

Princess Patti Cole lists cheerleading and choir among her principal activities at Central. Miss Cole, a junior, has attended Central all three years and is taking physical education and professionalized subjects. Miss Cole was sponsored by Montgomery Hall and is a resident of Kamola Hall. She lists Richland as her home town.

Princess Leona Panerio, AWS president, also lives in Kamola Hall. Leona is a Music major and lists Sigma Mu, Choir, AWS and Honor Council as her major activities at Sweezy. This senior sponsored by Off-campus Women comes from Roslyn and has attended Central all four years.

Other candidates and their sponsors are: Lela Clark, Sue Lombard; Marian McCasland, Kamola; Carolyn Gowan, Munro; Florence McCracken, Munson; Jane Simmons, Off-campus Men; Ellen Henderson, North Hall; Connie Berg, Vetville; Beth Hendrick, Kennedy; and Losi Koski, Carmody.

Dorms Elect New Leaders

The men living in the Walnut Street Dormitories have elected their officers and representatives for the school year 1954-55.

For Carmody Hall Louis Schultz was elected president; Donald Sorenson, vice president; Philip Platt, secretary; Mike Chatfield, treasurer; Charles Olsen, social chairman; Dick Schutt, M.I.A. representative, House mother is Mrs. Whitner.

Dan Organ was elected president for Montgomery Hall; Other officers are: Bob DeGabriele, vice president; Marty Budzius, secretary; Joe McBee, treasurer; Bob LaLonde and Roger Short, social chairmen; Steve Brady, M.I.A. representative; and Richard Preston is the counselor.

James Hoon is president of Munro Hall. Dick Rosecrans is vice president, Duane Landon is secretary-treasurer, Jim Carlton and Charles Smith are the social chairmen, Dick Bird is the M.I.A. representative, and the counselor is Al Stevens.

Alford Hall has elected Tom Carlson for president, Ross Simmons for vice president, Gary Brinn for secretary, Jim McMillian for treasurer, John Rosencranz and Joe Tate for social chairmen, and Bob Otto for M.I.A. representative. Rick Urdahl is the counselor for Alford Hall.

Registration Totals

A total of 1364 students are registered for fall quarter at Central, according to an announcement made by Registrar Perry Mitchell this week. This total is 80 more than the last year's fall registration.

Support the United Nations

Support the UN today for a better world tomorrow! So admonishes the easel display in the CUB entrance. UN week displays all over the Campus echo this thought. And on college campuses and at other institutions throughout the world this theme is also being displayed. Concern about the United Nations is growing as some of our leaders call for withdrawal from this organization. But since the formation of the UN in 1943 is has justified the faith of peoples throughout the world. True, it has not been a cure-all for the troubles of the world but it is a step in the right direction. It merits the support of every American and every citizen of these United Nations.

But more significant to this campus than the fact that this week, Oct. 17-24, is commemorating the formation of the UN, is the fact that the apathetic students at Central are being made aware of the fact that the United States has a foreign policy. How many of you honestly can say that you know as much about the UN as you know about the "Heart of Juliet Jones?" How many can claim an interest in international relations equal to your interest in sports? Yet do you think that Juliet's heart and Mays' batting average will have the effect on your life that the progress of the United Nations or US foreign policy on China will have?

Perhaps it's asking too much, but just for awhile why not delve past the sports and funny pages and read a few editorials and news stories?

Central owes a "thank you" to International Relations Club for doing such a splendid job of bringing UN Week to this campus. But more than our thanks, members of this group would rather have us take displays to heart. They would have us learn about the position of the United States in this modern world. They would have us informed on the fight to save freedom from the force which seeks to enslave the world. They would have us "Support the United Nations!"

Where Is Your Reflection?

"Sally Jones sat at our table tonight and we had a very interesting conversation," Joe College said. "Who is she?" asked his roommate. "Just a second, I'll get the Hyakem and show you her picture," Joe replied.

But Joe won't get to show Sally's picture to his roommate because Sally didn't take the time to have her picture taken for the Hyakem. And Sally may miss out on a lot more than that because of her neglect.

The Hyakem is, first of all, a record of your college days, a book of memories, a mirror of four of your happiest years. Yet for many students it is a mirror without a reflection, because their image is missing from its pages. For sentimental reasons students should make a special effort to have their pictures taken and in the book. Even if you don't care if your picture is in it or not, there are others who do, and each one of you who neglects this responsibility makes the book that much less valuable to the rest of the students.

But if you have not sentiments and we cannot appeal to your sense of fair play, then consider the practical advantages of appearing in the annual. It helps people to recognize you and get to connect your name with your face. SGA Council, faculty members and student organizations use the Hyakem as a list of students at Central and from this list choose people for awards, committees and honors.

Having your picture in the annual is the practical, sentimental and fair thing to do. It can benefit you by giving you a better Hyakem, helping you to become known not only to your fellow students but to those who consider you for awards, and privileges. And it only takes 15 minutes of your time!

Dad's day was a huge success! I'm sure the dads feel that they have sent their sons and daughters to an outstanding college, not only because of its friendliness but because everyone worked together and made their visit a long-to-be remembered one.

Did you ever stop to think that without cooperativeness this school wouldn't have a leg to stand on. Everyone depends on someone else to help roll the ball and if they didn't help there would be no action.

None of us are big enough to

carry the load by ourselves; and when we ask a friend for help it is always granted willingly. The Council appointed co-chairmen to work on Dad's Day and they in turn appointed numerous committees. The committees saw that the work was done and when it was all compiled we had a swell Dad's Day weekend.

It just goes to show what co-operation can do. We have had excellent luck in getting help for various committees—let's keep on offering our services and there will be no limit to the cheer that we can bring to others.

CRIER to Print Meeting Notices

The CAMPUS CRIER, as a public service, will print notices of club meetings in its "Campus Calendar" column beginning with the Oct. 29 issue of the CRIER.

Any campus organization or club wishing its meeting time, place and name entered in this column must submit the necessary information to the CAMPUS CRIER, Box 50 by the Friday before the issue in which they want the notification to appear.

Even if the organization has a regular meeting time and place a new announcement must be submitted for each issue.

Information of special activities and function must also be submitted the Friday before desired publication.

HOMECOMING?

Only one more week and the old alumni will be invading our campus for another "I remember when" session. Last year I walked in the CUB and suddenly found my hand in the grip of an old alum. The conversation went something like this:

"Smith is the name—class of '27". What's your name?"

"T"—

"Yes sir, it sure is good to be back on campus again."

"It's always nice—"

"Of course it's nice—"

is the finest school in the whole State."

Don't you?"

"Well, I've always—"

"I've got to be running along. It was nice to have met you—"

what was the name again?"

"Stebner!"

"Oh yes, nice to have met you Scribbler."

Homecoming isn't the only excitement coming our way in the next couple of weeks. The Spurs are having a regional convention around the 12th of November. Need I say more fellow "Bird-dogs?" This is one type of deer that can be hunted without a license.

Definitions?

Dance—Where the boys go to lead the lambs to slaughter and come out with the wool pulled over their eyes.

Classroom—An organized slumber party.

Professor—A noisy sleeping pill.

Blinking Light At Closing Hours—

Referee's signal to break the hold.

Engagement—The calm before the storm.

Muscles?

I've heard tell some people (men) are taking muscle building courses this quarter. I always liked the advertisement for those courses that Charles Atlas puts out. For instance: "After three weeks of Atlas' muscle course, I have been able to beat my grandmother two falls out of three Indian leg wrestling" or; "Yesterday I knocked down two five year old girls with one blow of my hand."

Dad\$?

I noticed some of the Dads at the dance last weekend were cutting a pretty cool rug. They may be getting older in years, but they are still young in spirit and they showed it. Munro Hall had a clever welcome sign displayed on the dorm. Those little \$\$ signs in the end of Dad were quite suggestive. How about it men—did the hint work?

A letter postmarked Addis Ababa, Ethiopia, was received last week by Miss Helen Michaelson, from Joanne Rhodes, a former CWCE student. During her stay she will give demonstration classes in a teacher training program.

Margaret Stobbs and Bob Poutt represented the Westminster Foundation of CWCE at the national convention this summer held on the University of Illinois campus. Then they enjoyed a post-convention tour through the south.

Patti Clark spent the summer at the vacationland Glacier National Park, where she was employed.

Europe was the vacation spot for Charlene Cook who toured 15 countries with her father. In Germany, they had a special escort, her brother, who is stationed there.

Several students chose the deep south for the summer. Birger Sather and John Calhoun water skied in Florida. It was "fabulous" as John put it. Alice Seearce was in Kentucky.

Yellowstone, Grand Canyon, Las Vegas and San Francisco were some of the places Sharon Orr saw.

Help Needed on Annual Staff;
Schedule for Pictures Given

Anyone wishing to work on the 1955 edition of the Hyakem should contact the editor, Mary Pennington, in her office. The office will be open from 3 to 5 on Tuesday and Thursday, or 10 to 12 on Monday, Wednesday, and Friday. Students may also drop a note in her box, 329. This year a new policy for taking individual photographs for the annual is being used. No pictures will be taken winter quarter; if pictures aren't taken fall quarter during the assigned time, they will not appear in the annual.

All students have received a schedule in their post office boxes for having their pictures taken. The juniors were first on the schedule this year and their pictures are being taken this week through tomorrow.

The sophomores will report from October 25 to October 30, the freshmen from November 1 to November 6. The seniors will be snapped November 8 to November 20.

The hours are from 9 to 5:30, but for the convenience of those who cannot make it downtown during those hours, the studio will be open from 7 p.m. to 9 p.m. on Monday evenings.

It will be appreciated if the girls will remember to wear a light colored slipover sweater, and pearls will be provided by the studio. The men should include a white shirt, tie, and suit coat or sports jacket.

Air Force Band Plays
In Yakima on Sunday

The United States Air Force band, whose headquarters is in Washington, D.C., is stopping at Yakima high school on its Pacific Northwest leg of a national tour this fall. The concert will be Sunday evening at 8:00 in the Yakima high auditorium.

Featured with the band is a male choir known as the Singing Sergeants, who have been heard nationally for several years on the USAF band's Sunday afternoon radio program. Ensembles and soloists have been selected to perform on the program also.

MY POINT OF VIEW

Bill Leth
Sports Editor

The Wildcats seem to be a second half team this season. They play a poor first half and then they settle down and look like a college football team the second half instead of a grade school flagball team. If they would buckle down and play a good first half as well as a good second half, which I know they can do because I have seen them play good ball, they would start hitting the win column of the ledger.

Maybe the answer to their problem is to have a half hour scrimmage before each game to get warmed up.

Baseball in October?

Three Wildcats were placed on the All-Conference baseball team this past June. I am bringing this up now as I think the boys did a good job and they should get some mention of the honor they received.

Remo Nicoli, fense busting right fielder, was picked unanimously for the first team while pitcher Bob Logue and first sacker Russ Watkins were tied with another pitcher and another first baseman for first team honors.

Nicoli, a freshman, hit .360 and Watkins, a senior, hit .361 in 19 games to help CWC take the Eastern division of the Evergreen Conference. They lost the best of the three games series with PLC for the Conference title.

Undefeated freshman pitcher, Gary Dreissen, and center fielder Ron Diehl, received honorable mention as there was no second team chosen.

Off With Those Letters

A fad around Central this fall seems to be the wearing of lettermen's sweaters and coats around the campus with a big "P" from Pumpkin high or a big green "T" from Tip Top junior college on it. The "W" club, the lettermen's club here at Sweezy, knows that you are proud of your letters but they wish to request that you take off these letters from other schools as you are at CWC now and not back in high school. It is OK for you to wear your award sweaters and coats with your name on them but the foreign letters will have to go.

We Like 'Em Tall

Coach Leo Nicholson's "Knights of the Maple Courts" started practicing for their 1954-55 basketball season this week. As the surfacing job on the men's gym floor isn't completed yet, coach Nicholson has been holding "tall timber" turnouts at the Morgan junior high gym.

Turnouts have been held each night in two shifts, one at 7 o'clock and the other at 8:15.

This years squad of hopefuls numbers between 30 and 40 with nine returning lettermen.

Wrestling has been added to the P. E. activities after a few years absence. Track coach Monty Reynolds has a class of future "Georgious Georges" throwing each other around each afternoon at 3 o'clock. This is a class of college, not television wrestling, in which you have to know how to wrestle, not how to act and fake.

Bevo's Coming

You basketball fans may get to see one of the highest advertised basketball players when the Boston Whirlwinds and the Harlem Globetrotters are in this area in January.

Clarence "Bevo" Francis, the high scoring center from little Rio Grande College is playing for the Whirlwinds this season. Bevo last year as a sophomore at Rio Grande broke most of the major basketball records. His new records are recognized by the NAIA even though Rio Grande has an enrollment of only about 100 students.

The Whirlwinds and the Globetrotters will play an exhibition

Meet Don Lyall; Football Captain For 1954 Season

Meet the captain of coach Carmody's 1954 gridiron eleven. Don Lyall, a 20-year-old mainstay in the Wildcat forward wall, holds down the right tackle slot that takes its share of the knocks in front of Central's new "Running T" formation.

Supplement this offensive work with the rigors of defensive play and it adds up to a full sixty-minute load for Lyall's six feet, 195 pound frame.

A veteran of two previous sea-

DON LYALL

sons with the Wildcats, Don brought his cleats from Richland's Columbia High School where he copped All-Valley honors at the center position his senior year. Richland tagged the valley honors that season.

His prep athletic activities also took him onto the maple court where he gained the necessary experience to land a spot on Central's basketball five. During the past two hoop seasons, he has been a consistent scorer as a forward for coach Leo Nicholson.

As a junior, Lyall's academic program is lined up to give him a B.A. in physical education.

WRA Meeting Held; Swim Party Planned

Refreshments were served following the meeting.

game at the Yakima Armory on January 29. The Globetrotters have come up to Ellensburg after their game at Yakima for the past few years, so we may get a chance to see them play at the Morgan gym on about January 30.

Defensive Player of the Week: Our first pick of the player of the week on defense is substitute center Dale Lanegan. Lanegan went into the PLC game when center Alfie Knutson got hurt. Dale, a frosh from Golden-dale, was consistently in on tackles during the second half from his linebacker position. He was the man that called the defensive line-up which kept the Lutes out of the scoring column during the second half of the game.

Offensive Player of the Week: Denny Anderson, the Wildcat's left end, looked pretty good last Saturday at the Cow Palace. Denny made some substantial gains on passes from quarterback Bill Harriman, as well as throwing the PLC backs for a loss a number of times on defensive plays. Denny, a former Yakima athlete, now calls Florida his home.

The Pacific Lutheran Gladiators racked up three touchdowns in the first half to defeat the Central Wildcats 20 to 7 in an Evergreen Conference football game last Saturday.

After the intermission the Cats shut the gate on the Glad goal line but couldn't gather enough points of their own to come out on top.

The Lutes opened the scoring late in the first period, when John Fromm smashed over from the one yard line after the Glads had marched 40 yards to touchdown door.

Early in the second quarter the Lutes hit paydirt again. This time it was fullback Frank Lancaster pounding over from the one to climax a 58 yard grind.

It was halfback Fromm who netted the final PLC touchdown. He went over from the two as the Lutes used five plays to move the ball from the Central 15. A Central fumble set up the scoring chance. The Cats lost the ball on the 15 and Don Morris recovered to give the Gladiators the opportunity.

In the second half the Centrals turned on the defense. The Glads weren't able to get past the Wildcat 30 yard line for the remainder of the game.

The only Central touchdown came early in the third quarter with Clayton Evans, 180 pound fullback supplying the scoring punch after the Cats had moved the pigskin 36 yards to the Gladiator one yard line. The score was set up when PLC was forced to punt. Central then moved the ball to

Leagues Chosen For MIA Flagball

The placing of teams in their respective leagues, and the drawing up of the flagball schedule were the number one items accomplished by the MIA at the special meeting Tuesday night.

Teams placed in the American League were: Carmody, North Hall I, Munson II, Montgomery and Alford II. Teams in the National League are: North Hall II, Munson I, North Hall III, OFF Campus, Munroe and Alford I. Commissioner for the American League is Bob Trask, and Walt Wilson for the National.

Action began last night at Rodeo Field, when Carmody faced Alford II, in the first American League contest. In the National League North Hall II opened

the Glad 13 on a pass completed from quarterback Bill Harriman to halfback Don Pierce. On the next play Jim Nelson, freshman halfback, took a pitchout from Harriman and streaked around end to the one. Evans then carried into the end zone for the score. Harriman booted the extra point.

Central had three other scoring opportunities later in the ball game. They moved to the PLC 8 yard line late in the third quarter and reached inside the Lute 10 twice in the final period but ran out of downs each time before they could find the scoring play.

W Club News

Dr. Glen McDonald has been chosen by the members of the "W" club to be their advisor for the coming year, it was announced by Jerry Jones, club president. Dr. McDonald was selected at the Oct. 19 meeting.

Tickets for the programs for the Homecoming football game will go on sale Wednesday, October 27 and will be sold for two days. Members of "W" Club will sell the tickets at the dorms.

A mixer will be sponsored by the "W" club in the near future.

All lettermen are urged to come to the meetings which are held Tuesdays in the classrooms buildings at 7 p.m. Any suggestions will be appreciated by the president.

The officers of "W" Club are: Jones, president; Don Trombly, vice-president; Alfie Knutson, secretary-treasurer and Bill Harriman, MIA representative and Social Commissioner.

Each American consumed 76.6 pounds of beef, on the average, in 1953.

against Off Campus at Gymnasium Field. All games are scheduled to begin at 4:15.

Cats At CPS For Do-Or-Die Game

Carmody's Boys on Coast For Third Conference Tilt

By ROLLIE DEWING

EVERGREEN CONFERENCE									
	W	L	T	P	F	P	A

Pac. Lutheran	2	0	0	26	7				
CPS	2	1	0	64	33				
Eastern Wash.	1	1	0	13	24				
Western Wash.	1	2	0	7	66				
Central Wash.	0	2	0	13	35				
UBC	0	3	0	6	26				

Central's Wildcats trek across the Cascades to the mouth of the Puyallup River tonight. They face the College of Puget Sound Loggers in their home camp tomorrow afternoon at 1:30.

The Cats will have to do a fancy bit of fighting to return without getting another lump.

CPS was considered the best bet to stop the Whitworth Pirate's march to the Evergreen Conference throne room until they took a 33 to 13 drubbing from the Pirates last Saturday.

This score compares favorably with Central's 15 to 6 loss to the Pirates. However the comparative scores against LC don't stack up as well. Central lost to PLC by a 20 to 7 score while CPS holds a 7 to 6 win over the Lutes.

Central coach L. G. Carmody will be gearing his defense to stop Logger backs Joe Shortini and Dale Meshke.

Quarterback Shortini is an excellent passer and also a dangerous runner. He has reeled off several long runs using his pet play, the bootleg.

Meshke is one of the hardest runners in the Evergreen Conference and has gained a good chunk of enemy real estate in every game the Loggers have played this season.

Central came out of the PLC game in pretty good physical shape. The only serious injury was dealt to Don Iverson, promising frosh end who received a knee injury and may not make the trip.

Wilbur Lucas, Central's leading pass catcher, who sat out the PLC game with a leg injury should see some action against the Loggers.

Carmody probably won't name his starting line up until game time.

However, quarterback Bill Hariman and fullback Clayton Evans are virtually assured of starting roles in the backfield.

Frosh Jimmy Nelson may start at one of the halfback slots. This little scatback from Seattle provided most of the Central running strength against PLC last Saturday.

Bob Spearman, hard hitting halfback from Walla Walla will probably get the nod at the other half.

Don Trombley or Don Pierce, who have both proven themselves capable of handling starting assignments, may also get the nod at one of the halfback positions.

In the line, Captain Don Lyall and end Denny Anderson should get starting calls. The rest of the line positions are wide open.

If the Cats can get tough in the first half instead of just playing a good second half they may give the Loggers a very interesting afternoon.

For all students who are not acquainted with the Snack Bar hours, they are: Week nights—10:00 p.m., Week end nights—12:30.

Three Changes Made In Business Office

The Business Office this week announced three changes in personnel on the CWCE campus.

Mrs. Bessie Smith, who has been assistant cashier in the business office for over a year, is moving to Seattle. Her place will be filled by Mrs. Opal Tucker of Ellensburg.

Another change in the personnel was made with the resignation of Mrs. Nadine Boyce, bookkeeper. Replacing her will be Mrs. Pearl Monson of Ellensburg.

John Kelley, who has been plant engineer for the past two years, resigned on September 15 to go into private business. Donald Jongeward was appointed to fill

the vacancy until a permanent replacement can be found.

The electrum used by ancient peoples was about 75 per cent gold and 25 per cent silver.

SEND IT IN AND MAKE \$25

FIREPOLE FOR FALSE ALARMS

MOST BEAUTIFUL WOMAN
IN TURKEY ACCOMPANIED
BY VERY UGLY FRIEND

Want to pick up \$25? Make up a Lucky Drooodle and send it in. It's easy.

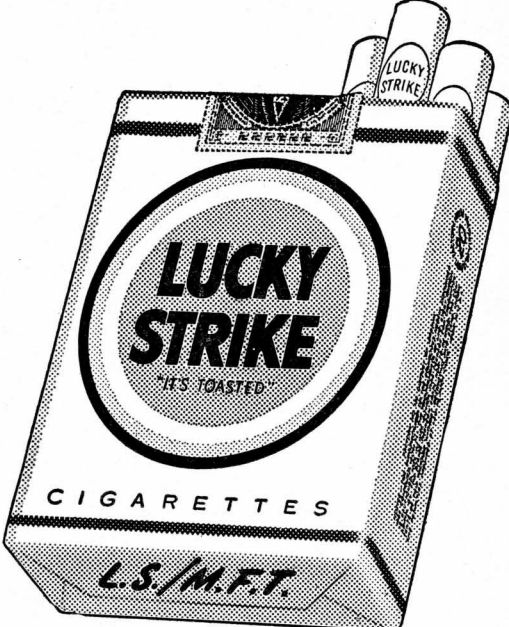

If you want to find out just how easy it is, ask Roger Price, creator of Droodles. "Very!" Price says. Better yet, do a Drooodle yourself, like the ones shown here.

Drooodle anything you like. And send in as many as you want. If we select yours, we'll pay \$25 for the right to use it, together with your name, in our advertising. We're going to print plenty—and lots that we don't print will earn \$25 awards.

Draw your Droodles any size, on any piece of paper, and send them with your descriptive titles to Lucky Drooodle, P. O. Box 67, New York 46, N. Y. Be sure your name, address, college and class are included.

While you're droodling, light up a Lucky—the cigarette that tastes better because it's made of fine tobacco . . . and "It's Toasted" to taste better.

Homecoming

(Continued from page 1)

its annual luncheon in the Antlers Hotel before the game.

The Wildcats will face their cross-state rivals, the Eastern Savages, on Rodeo Field at 2. Central's band will furnish the half time entertainment.

The living groups will have open house till 6 in the evening.

Miss Janet Lowe of the science department will act as toastmistress at the 6:30 banquet in the Commons, with Dr. S. R. Mohler as main speaker. Roast turkey with all the trimmings is the planned menu. Tickets are now on sale in the Commons office, at a special price of 50 cents for students with food tickets. An all-college dance will follow the banquet.

There will be first, second, and third places in the float competition. Signs for this year have been divided into two classifications—movable and non-movable. Cash prizes will be given for the signs.

A great many students are working on some phase of Homecoming. Under the general co-chairmen, special chairmen have committees to carry out different parts of the program.

Dennis Martinen is acting as freshman adviser, to insure all freshman the opportunity of participating in the activities.

Other general chairmen are: publicity, Joan Fortner, Grace Keesling, and Donna Ferguson; stunt night, Jerry Ward, and Grace Carlisle; parade, JoAnn Green and Connie Newman; signs, John Rosenkranz and Grace Tsuijakawa; radio show, Larry Bowen and Donna Dunn.

The following are also chairmen: banquet, Marie Fugate and Gary Johnson; dance, Dick Tracy and Judy Grage; half time activities, Don Goodale and June Snodgrass; alumni, Chuck Hazen and Sally Diebert; summer rodeo float, Vic Olsen and Kaye Davis.

Still other chairmen for Homecoming are: dorm and CUB activities, Mary Jo Lien and Dale Comstock; programs, Colleen Moore and Jim Jacobs; pep rally and serpentine, Patti Cole and Jerry Jones; frosh-soph competition, Walt Wilson. Joan Heikell is serving as secretary for the group.

IRC Sponsors

Iraq, Iran, and Pakistan.

Students unable to attend the conference are kept occupied with numerous other projects. A traveling show, staged by foreign students, is being considered as one of this year's activities.

The officers of IRC are as follows. Jeff Vowles, president; Marie Fugate, vice-president; Colleen Moore, secretary-treasurer. Advisors are Dan Oppleman, Merton Barry, and Elwyn Odell. Meetings are held every Thursday at 7 p.m. and are open to everyone.

This Friday night IRC is sponsoring a dance in the newly remodeled Walnut street cafeteria. The decorations will follow the UN theme and will initiate the hall under its new name.

Don Duncans Serve As North Councilors

Mr. and Mrs. Don Duncan are house councilors for North Hall this year. Other officers include: President, Ray Hosford, Vice president, Jerry Jones, secretary, Herbert Hensley, treasurer, David Divelbis, sergeant at arms, Bob Spearman, M.I.A. Reps., Eugene Dudley, Walt Wilson, S.G.A. Rep., Rudy Kovacevich, and social comm., Bob Sullivan.

North Hall is still trying to procure a television set for this year. Jerry Jones was appointed by the president to work on the television project.

POURING COFFEE for students and their fathers on Saturday morning, in the main lounge in the CUB, were Leona Panerio and Peggy Conway. The coffee hour, one of the many activities planned for Dad's Day, was in charge of Shirley Ostrom and Larry Pinnt.

New Head Nurse Loves CWC, Kids

New to the infirmiry staff this year is Mrs. Maxine Taylor, head nurse.

Mrs. Taylor is from Ellensburg, where she has spent the past nine years since her schooling in Nebraska.

When asked what she thinks of Central, Mrs. Taylor replied, "I love it! I love the kids!"

Build Your Banking Relationships Carefully . . .

Students have often established lifetime associations when they began banking at the Ellensburg Branch of NB of C. When they were graduated and moved to various parts of the state, they easily transferred their banking to another of the 42 NB of C branches. They are now making their contributions to the growth of the areas in which they live and are established with a bank which has, in turn, been making its contribution to the growth of the state since 1889.
